

June is Driver Safety month

at

Run license verification/driving record checks on
all your current employees at a substantial discount

...only **\$3.75** each. (plus state fee)

- Find out if employee's licenses are valid, suspended, or revoked.
- Most results available same day. Download from our secure website.
- See how many violations have occurred including DUIs.
- Reduce exposure to liability by eliminating unlicensed or unsafe drivers who may be driving on your behalf. (even in their own vehicles)

Offer valid June 1, 2010 through June 30, 2010. List of employees must be typed onto Microsoft Excel spreadsheet template (that Safer Places, Inc. will provide) including name, date of birth, Social Security Number, address, gender, license number and state. Only one batch request per company.
